

REPORT

Myanmar Rice Fund

Dear Friends,

With the war in Myanmar and the unrest which escalated in August 2022, National Leader and Pastor, Moe Aung gave a call for help amidst the ensuing hunger crisis and struggling economy. Thank you for answering this call by drawing alongside desperate families in Myanmar. Your generosity enabled Multiply's team of workers based in Myanmar to provide rice for destitute families.

Louise Sinclair-Peters, Multiply's global worker in Myanmar reports: "All our pastors say a huge "Thank you" to Multiply for helping eleven villages and thousands of people have rice to eat in this very difficult time where people are hungry in Myanmar. The Good News of Jesus Christ was also shared when this gift was given."

Grateful for the gift of rice

Regards
Daniel Lichty
